service users to support their individual recovery journeys, engaging in key work sessions, offering health promotion and harm reduction advice and screening (including blood borne viruses) alongside other clinical and psychosocial interventions.

- ▶ To conduct assessments of physical dependency using a symptomatic withdrawal scale, using results to determine safe induction to opiate substitute treatments as required.
- ▶ To initiate service users via titration procedures safely on to a substitute prescribing regime, including initial dispensing of medication and observed consumption, and subsequently support the delivery of a pharmacy based supervised consumption scheme.
- ▶ To be responsible for liaising with the Hospital, pharmacies, hostels treatment teams to develop a management plan and engagement for substance misuse and related aspects of patient care
- ▶ To work alongside the designated Medical Officer to offer substitute prescribing regimes to improve health and promote recovery from the effects of Drug and Alcohol use. This will include supporting service users' detoxification from Drugs and Alcohol across operational sites.
- ▶ To contribute to the development and review of recovery/treatment plans and referrals for psychosocial interventions including wrap around services and external supporting agencies
- ▶ To develop, review and audit recovery/treatment plans, provide health education especially in regard to harm minimisation, blood borne viruses and overdose prevention.
- ▶ To adhere to Patient Group Directions and ensure requirements on updating are maintained
- ▶ To pro-actively maintain an up to date knowledge of medicine management and both local and national guidelines and agreements.
- ▶ To participate constructively and positively in staff and other meetings to promote and support communication channels within the organisation
- ▶ To comply with WDP's policies and procedures
- ▶ To comply with all health and safety policies and guidelines, taking responsibility for your own safety, that of colleagues and others as applicable.
- ▶ To ensure that all data requirements in relation to your clients are met within defined deadlines.
- ▶ To treat all information acquired as a result of your employment at WDP as confidential, complying with all relevant policies and procedures.
- ▶ To engage proactively with both line management and clinical supervision and maintain a current knowledge of appropriate interventions.
- ▶ To be responsible for own learning and development, accepting opportunities to broaden knowledge and complying NMC registration and revalidation requirements.
- ▶ To work closely and proactively with the management and staff team to ensure adherence to all relevant Health & Safety Polices (including Infection Prevention and Control) and ensure that risk is managed appropriately within the service

## 4. WDP's commitment to you

*WDP works within the following framework and requires all employees to do the same.*

4.1	<p><u>Equal Opportunities</u></p> <p>WDP is committed to promoting anti-discriminatory practices within society, its organisation and in the promotion of its services to the community. WDP expects all employees to understand, comply with and to promote its policies in their work and to challenge prejudice and discrimination and where necessary to undertake any appropriate training.</p>
4.2	<p><u>Recovery</u></p> <p>WDP is a recovery focused organisation. Our staff and volunteers are committed to helping our service users improve their health and wellbeing, and to become free from dependency.</p>
4.3	<p><u>Career Development and Progression</u></p> <p>At WDP we actively encourage career progression from the talent we have from within and we strive to provide not only promotional progression but to develop a specialist and lead responsibility roles with teams and other services within WDP.</p>
4.4	<p><u>Safeguarding</u></p> <p>WDP is committed to ensuring the safeguarding and wellbeing of children and vulnerable adults, and all applicants will be required to demonstrate understanding of and commitment to best safeguarding practice.</p>
4.5	<p><u>Care Quality Commission (CQC)</u></p> <p>Many of WDP's services are monitored, audited and regulated by the Care Quality Commission (CQC), the independent regulator of health and adult social care in England. Whether or not a particular service is registered, we believe CQC represents the minimum standard we expect for all of our services. We therefore work with all of our staff to make sure that every WDP service provides people with safe, effective, compassionate, high quality care and we encourage our services to learn and improve.</p>

## 5. Your commitment to WDP

5.1	<p><u>WDP Vision, Mission and Values</u></p> <p>Promoting and understanding the values, vision and mission statement of WDP. To understand what it means to you in your respective role, to your team and to service delivery.</p>
5.2	<p><u>Vulnerable children and adults</u></p>

	Demonstrating an understanding of and commitment to best safeguarding practice. Taking immediate and appropriate action as required.
5.3	<u>Boundaries and behaviours</u> Observing professional integrity in relationships with service users, peers and other relevant professionals.
5.4	<u>Health &amp; Safety</u> Being responsible for your health and safety and that of colleagues and service users. Employees should co-operate with management and follow established systems of work, use protective equipment where necessary and report defects and hazards to management. To comply with Infection Prevention and Control policies and procedures.
5.5	<u>Confidentiality</u> Treating all information acquired through the course of your employment as confidential and complying with all the appropriate policies, systems and procedures.
5.6	<u>Information Governance</u> Applying information governance processes to ensure all necessary safeguards are in place regarding personal information – and its appropriate use – about our service users, workforce and members of the public.
5.7	<u>Continuous Professional and Personal Development</u> Working within a learning organisation, seeking learning opportunities either by attending learning and training events either externally or internally to improve and broaden their knowledge and skills and develop the personal qualities required in their professional lives.
<p><i>The above is an outline of the post holder’s duties and responsibilities. It is not intended as an exhaustive list and may change from time to time in order to meet the changing needs of WDP.</i></p>
